Work Experience

10/2017 – Present

SCHNEIDER ELECTRIC ROMANIA

Bucharest, Romania

Technical Support Specialist

- Providing post-sales support to APC's customers. Validate entitlement, assisting customers with unit diagnosis, troubleshooting and completing RMA's when necessary;

- For pre-sales customers this will involve referring customers to local resellers / creating web orders, once customer's specific needs have been identified. Identifying opportunities and escalating to the correct APC contact. Advising customers on the correct solution for their requirements;
- Take complete ownership of all Customers issues until resolution and ensure timely follow up on all commitments;
- Follow up on leads generated from marketing activities. Identify opportunities from the leads and enter opportunity into Salesforce for follow up by sales;
- Provide language support to escalation teams where necessary.

02/2002-06/2017
